

## 139 ALEXANDRIANS HEAD WAR DRIVE

Representative Citizens Organize Monday for Red Cross Campaign.

**THE HERALD BUREAU.**  
K. E. Knight & Son,  
1200 K St. N. E.  
Alexandria, Va., June 15.—One hundred and thirty-nine citizens, men and women representing all lines of business, have been chosen to look after Alexandria's part in the \$100,000 Red Cross fund which will be instituted Monday throughout the country. Gardner, Booth is general chairman, and Mrs. D. J. Howell is chairman of the ladies' committee. Included in the 139 named on the committee are 50 men and 89 women. Meeting will be held Monday night in the rooms of the chamber of commerce.

Beginning Monday the Young Men's Social Gymnasium Hall will be open every evening from 7 until 10 o'clock for soldiers in the camps in and around this city and its reading and smoking rooms, together with its pool tables, will be at the disposal of the soldiers.

The hall of St. Rita's Catholic Church, opposite the St. Asaph camp, Mount Ida, Alexandria county, is open each evening from 7 until 11 o'clock for the soldiers at that camp. Reading and writing materials free.

The Westminster building of the Second Presbyterian Church, Prince and St. Asaph streets, is now open for soldiers, and arrangements are being made to shortly open its bowling alleys to the soldiers.

The Rev. Dr. E. V. Regester, pastor of the M. E. Church South, at 8 o'clock tomorrow night, will preach the annual class sermon to the graduates of the Alexandria High School, who will attend in a body.

Members of Court, No. 54, Daughters of Isabella, have formed a unit of the Alexandria Chapter of the American Red Cross with the election of these officers: Mrs. M. R. O'Sullivan, chairman; Mrs. R. L. Carle, treasurer; Mrs. George Kimball, secretary. Meetings will be held each Tuesday in the Murphy building, Duke and Fairfax streets.

Dorsey E. Blair, 55 years old, died last night at his home, 215 South Lee street, after a long illness. In addition to his widow he is survived by two children. His funeral will take place at 3 o'clock tomorrow afternoon from his late home. Services will be conducted by Rev. Dr. E. B. Jackson, pastor of the First Baptist Church. Members of Alexandria Council, No. 5, Order Fraternal Americans, will attend.

Mrs. Marion S. Davis, 59 years old, died this morning at her home, 505 Cameron street. She was the widow of Jackson Davis. ## DISCHARGED ROOKIES TO GET NEW CHANCE

Men Unfit for Line Commands to Be Tried Elsewhere.

Men "fired out" of Fort Myer training camp, and other camps, are to be given a chance to make good in the quartermaster, truck, ordnance, aviation and other branches of the service.

The War Department made this important announcement yesterday, and it will affect more than half of the men in training camps found unsuited to be officers of the line.

Adult Gen. McCain said in explanation, part of the men would be detailed to machine schools; others will be sent to aviation schools; 50 men from each training regiment will be appointed quartermasters, and 50 from each regiment assigned to truck companies, while 10 per cent in each camp will be examined for appointment as provisional second lieutenants in the regular army.

Gen. McCain also sent out yesterday the following caution to members of the boards appointed at each camp to make selection of officers:

"The demand for the appointment of regular army line officers, reserve staff officers, and aviation officers or graduates from the training camps is due to the realization of the value of obtaining men who have been under disciplinary control and observation, and who have had some training that will give them a fair idea as to what an army is."

"These outlets are not to be considered a dumping ground for inefficient, unfit men who may have been admitted to training camps. It is realized that many men who return to their homes after the training period with nothing but a training camp discharge to show for their efforts will be bitterly disappointed, but the interests of the government must be conserved."

"It is certain that some who complete the course have not the qualities that an officer should possess. Every failure in the list finally appointed will be chargeable directly to the regular army."

"It is believed that provision can be made for retaining in service as officers, or for training for appointments as aviation officers, practically all men in the present training camps who have good personality, force, ability, and the other qualities that should be found in officers."

## ARCANUM RECEIVER OUSTED BY COURT

Boston, Mass., June 15.—The United States Circuit Court of appeals yesterday vacated an order of the district court in appointing Thomas J. Boynton temporary receiver of the Supreme Council of the Royal Arcanum.

Application for the appointment of a receiver was made on behalf of Arthur L. Hobart, of Braintree, Mass., holder of a nominal death benefit certificate. The Court of Appeals held that the lower court without jurisdiction in appointing a receiver inasmuch as the Royal Arcanum was a Massachusetts corporation and that should have sought relief elsewhere.

**Merry Week-Ends Begin For Tired Govt. Clerks**  
Half holidays on Saturday began for the summer in many of the government departments yesterday.

Because of the great rush of war work, there were some who could not be released. Half holidays for employees of the government printing office and the bureau of engraving and printing, have been indefinitely postponed.
